

Canada Sector Survey

Respondent profile

Institution/organization type

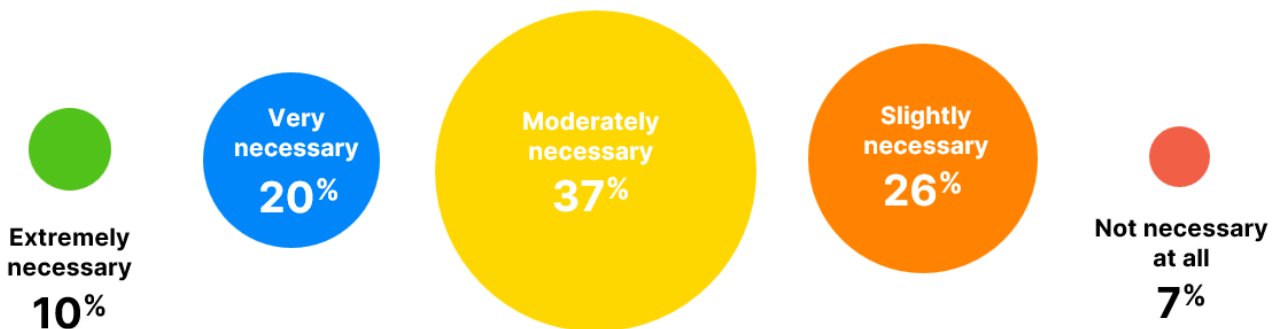

Canada Sector Survey

How would you say your institution/organization has been affected by the policy changes, in the sense of the impact on your international program/operations?

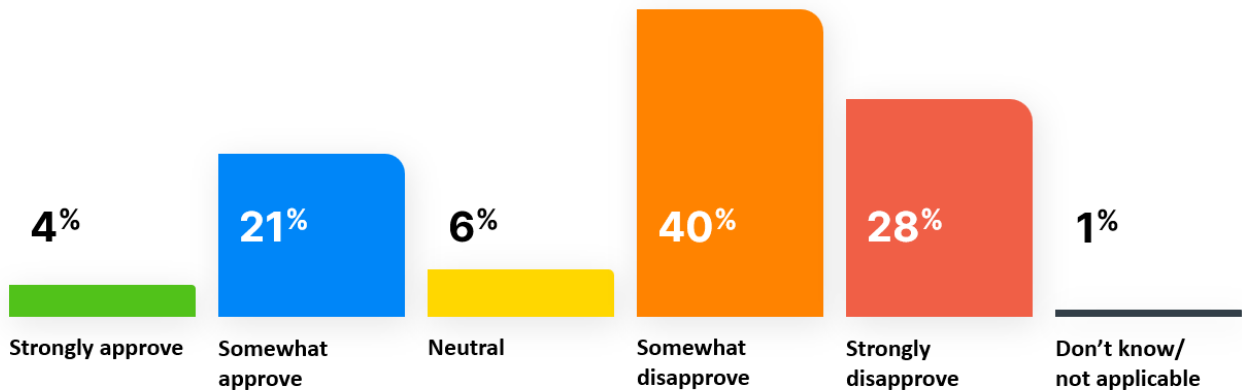

How would you rate the necessity of the federal government's steps to manage the rapid increase in international enrolments in Canada?

Canada Sector Survey

To what extent do you approve or disapprove of the suite of policies the government implemented to regulate international education in Canada?

How would you rate the federal government's engagement with international education stakeholders when it was drafting policies that would impact the sector?
